Details of complaint or incident (Who, What, When, Where, How and Why.) Attach statements of personnel related to report as needed. Include description and value of property taken or damaged. List property recovered, suspects, witnesses, vehicles and descriptions. If complainant is other than victim, list full name, address and phone of victim in detail.

While on routine patrol, I, Sgt. Wilbourn was dispatched to Garcia Hall, reference a bomb threat. Upon arrival at Garcia we had the dorm evacuated and then searched the dorm. Negative results. I then contacted the complainant who stated that he received a call from an unknown subject who said, "there is a bomb in the dorm" and hung up the phone. Baca added the caller had a strange sound. Baca then thought of a subject who had a strange voice. Baca went to room D-229 Garcia and asked Phillip Patton if this was some kind of joke. Patton said he did not make the bomb threat. Baca is not accusing Patton, but he, Baca, thinks the unknown caller and Patton are the same person.

As the students were returning to Garcia the operator called by radio and said that the City Police dispatcher, Sandra Cox, called and advised that she received a telephone call from a male subject, who said that a bomb was in Garcia. We evacuated Garcia the second time. After the dorm was searched, all the students were returned to the dorm, Attached is a written statement by Miss Cox.

No further action at this time.

Complainant's Address Garcia Hall D-100		Phone Number 646-3358	Location of Offense or Incident Southeast Corner Garcia Hall	
Received By Capt King	Time 2:33 AM	Date 20 Sept 70	How Reported In Person	Officers Assigned Barnhart

At approximately 3:35 AM Capt. King requested I take a Mr. Richard G. Moore to the dispensary as he had allegedly just been assaulted, and struck in the forehead. Subject was taken to dispensary, treated and released. Investigation disclosed the following: that at approximately 2:25 AM Moore who was on duty as an RA at Garcia Hall was checking the outside southeast corner of Garcia Hall when he heard a noise in the bushes. He shined his light in that area but could see no one. He took three steps toward the building and was struck in the forehead by an unknown person, allegedly thin in build, approximately 6' tall, wearing dark clothing with long dark hair, shoulder length. Moore was struck with an unknown object in the front center of the forehead, knocking Moore to the ground. Moore got up in a dazed condition and reported the assault to Capt. King, who was at Garcia investigating a bomb threat. The alleged crime scene was checked with negative results. No physical evidence was obtained due to the large amount of students who walked in and about the crime scene after hearing about it and before this officer could return and secure the alleged crime scene. In examining Moore's forehead no evidence of a blow being struck could be found. At approximately 3:50 AM Moore notified Capt. King that the reason he was checking that area out was that he had seen an unknown male hanging from the roof, southeast corner of Garcia Hall. Investigation continues.
